

EMPLOYEES KILLED BY INMATES

January 1952 through April 2002

SUMMARY

Since 1952, inmates have killed 19 male employees of the Department of Corrections. Sixteen of these were custody officers, and three were non-custody employees who supervised inmates working in industry areas. Fourteen deaths were from stab wounds, two were from gunshot wounds, two were from bludgeoning, and one was from being thrown from a tier.
